## **We are looking for an English teacher for Kindergarten and primary school (15 lessons/week) - Immediate start**

The German International School in Abu Dhabi has a high standard quality Kindergarten.

We are looking for a passionate **English speaking teacher (Native language level)**, with experience in the childcare/teaching sector.

### **Working field:**

- 4 lessons a week in primary school
- 11 lessons a week in kindergarten
- extracurricular activities in science and art

### **What we offer:**

- An international work setting with many cultures and nationalities
- Respect and appreciation for our teachers
- Drive for educational excellence

### **What we expect:**

A loving, fun and warm-hearted person whose passion it is to shape the future of our children.

Requires professional experience supervising or educating children in a nursery or preschool. Responsibilities also include curriculum development, preparation of guided sequences.

### **Requirements:**

- Bachelor, in teaching or education
- 2 years working experience
- English (Native language level)
- High sense of responsibility
- Communication Skills: You must be able to speak clearly to students, other teachers, parents and administration officials.
- Instruction Skills: You will have to explain new ideas and unfamiliar concepts in a clear and concise way so that students can understand.
- Creativity: Find ways to involve students into their lessons.
- Taking part in additional events out of the regular working hours, as. parents evenings, team meetings etc.
- the school does not provide visa or health insurance
